Top 10 Reasons College Students Look Forward to Thanksgiving Break

10. You'll know that your turkey is a Butterball rather than a Grade E yet semi-edible fur ball.
9. Your mother will not be serving your mashed potatoes and stuffing with an ice cream scooper.
8. Pumpkin pie is a great alternative to green Jello.
7. After your eighth glass of cider, your emergency dash to the bathroom will not be delayed by having to run down a long hallway, only to find you must wait in line.
6. Clean underwear, comfortable bed, access to a car, bedroom larger than a 12x14 cell ... okay, even if it is for only four days.
5. To eat your meals, the only trek you'll have to make is from the couch to the kitchen, rather than the dorm to the dining hall in below-freezing weather.
4. Instead of listening to "When I first started teaching here..." you can be entertained by "When your mother was your age..." and "During the Depression we weren't lucky enough to have Brussels sprouts. Heck, all we could afford was the sprout!"
3. You can eat your corn steamed with butter rather than popped in your microwave.
2. You'll know the hair in the shower drain is your own.

And, the number one reason college students are looking forward to Thanksgiving...

1. You won't be eating your Thanksgiving meal off a tray!

District News:

McGovern Recognizes District 6780 at Foundation Dinner

When Rotary International Foundation Vice Chair and Trustee Mike McGovern was invited to be the keynote speaker at Rotary District 6780's Foundation Dinner Nov. 8th, he quickly learned Rotarians in the state of Tennessee aptly earned their Volunteer nickname.

"Polio Eradication all started here," McGovern told his audience at the Museum at Five Points in Cleveland this past Saturday evening. "The men who made such a difference in polio eradication all came from the State of Tennessee."

Admitting he knew nothing about the state of Tennessee prior to his Foundation Dinner invitation, McGovern went on to name Rotary leaders Jim Bomar, Bill Sergeant, Jim Lacy and John Germ who each played instrumental roles in the fight against Polio.

"All these leaders shared the vision to eradicate polio," he said. "District 6780 is leading the way...and there's no other state that has contributed more in dollars and volunteers than Tennessee."

Chad Stutsman, Senior Annual Giving Officer for Rotary Zones 30 and 31, told Rotarians District 6780 led the zone in giving last year with $629,305.

Out of 16 Rotary districts, District 6780 also was the leader in PolioPlus contributions with $147,154. Since 1985, District 6780 Rotarians have contributed almost $11 million to The Rotary Foundation and ranks among the top 10 giving districts in North America.
